Sir:

On July 28, 2003, a Notification of Status was filed. However, on July 31, 2003, a credit of \$380 was made to TraskBritt Deposit Account 20-1469. Applicants believe this credit is for the initial filing fee. Applicants recognize that although a Verified Statement was filed claiming small entity status, the application was not entitled to small entity status at the time of filing. In an effort to correct this error, submitted herewith is a check in the amount of \$380.
